1 A place followed by a name indicates that the place is consecutive with a MCD. An * indicates that the place is also in the MCD. In both cases, the MCD name is shown only when it differs from the place name.

2 A VTD is a Voting District. It is a geographic entity. Its existence indicates that the VTD is a pseudo voting district or no information is available as to its status.

3 A * for a block number indicates that the block number is repeated elsewhere in the block.
